Information Booklet

Table of Contents

Welcome Message

Congratulations on accepting our invitation to the CUHK PhD Fellowship Scheme Summer Workshop 2019! Now that the workshop is around the corner, we believe that you may find the following information useful when you prepare for your trip to Hong Kong.

1. Travel tips to Hong Kong

Immigration and customs

It is against the Hong Kong law to bring certain dangerous items into Hong Kong. Make sure that you check for tips and advice using the following link:
http://www.police.gov.hk/ppp_en/04_crime_matters/cpa/cpa_at.html (in English)
http://www.police.gov.hk/ppp_sc/04_crime_matters/cpa/cpa_at.html (in Simplified Chinese)

Weather

Weather in July is hot and humid, with occasional showers and thunderstorms. The mean temperature in July is around 29-30 degrees Celsius. The daytime temperature is usually over 30 degree Celsius. Please visit the Hong Kong Observatory website for detailed weather information.
http://www.weather.gov.hk/contente.htm (in English)

http://gb.weather.gov.hk/contentc.htm (in Simplified Chinese)

Telecommunication

Please check if your service provider has a roaming agreement with a Hong Kong operator. Pay attention to the roaming rates.

Alternatively, you may purchase a local SIM card at the Hong Kong International Airport or at other convenience stores such as 7-Eleven or telecom shops. Location of the telecommunication shops / convenience stores at the airport are available at:

https://www.hongkongairport.com/eng/shopping/insideshopping/all/conve/list.html (in English)

https://www.hongkongairport.com/gb/shopping/insideshopping/all/conve/list.html (in Simplified Chinese)

power socket

Electrical equipment

The standard electrical voltage in Hong Kong is 220 Volts AC, 50Hz. The electrical outlets in Hong Kong take a <u>three-pronged UK-style plug</u>. Please make sure that you **bring along an adaptor with you**. You may buy an adaptors for your electrical equipment at most convenience stores.

adaptor

Daily necessities

There is one supermarket—Park'n Shop—
on CUHK campus, which is about 10 minute walking distance from your dormitory. (Address: LG, John Fulton Centre. Opening hours: 8:30 am–10:00 pm (Mon–Fri) 8:30 am–9:00 pm (Sat, Sun and public holidays).

Travel Insurance

You are **strongly advised to purchase travel insurance to cover your trip** as any medical or emergency expenses incurred, if applicable, could be very expensive.

Personal belongings

You are reminded to bring along the followings:
- Identify card, passport, entry permit and travel documents, where applicable
- Personal care products such as cleaning supplies, water bottle, sunscreen product, umbrella, emergency drugs, etc

- Cash (both HK dollars and RMB): you may purchase an Octopus Card upon arrival. Octopus card is widely used in transportation, convenience stores, supermarkets, fast-food shops and retails shops in Hong Kong as well as on the CUHK campus.
- Room temperature is around 23-25 degrees in seminar rooms and other inner area of two Engineering Buildings. You may consider bringing a wind jacket with you.
- Stationeries, universal electronic adaptor and other items like flashlight

2. Arriving CUHK

You are advised to purchase an On-loan Octopus card (八達通卡). The Otocpus card is widely used in Hong Kong for paying for public transportation and for buying goods at convenience stores, supermarkets, and fast-food shops, etc.

http://www.octopus.com.hk/get-your-octopus/choose-your-octopus/on-loan-octopus/standard-octopus/en/index.html

From Hong Kong International Airport

- By Taxi

It takes about 35 to 40 minutes from the airport to CUHK and the fare is approximately HKD 350-400. Taxi drivers in HK usually speak simple English and Mandarin. The Octopus card cannot be used to pay the fare. You may ask for a receipt before getting off the taxi.

- Public Transport (Via Bus+ Metro)

Take the Airport Bus A41 or E42 and get off at Sha Tin Central Bus Terminus (沙田市中心總站). Afterwards, walk to Sha Tin Station (5-min walk) and take the MTR East Rail line (東鐵綫) to University Station. Visit http://www.kmb.com.hk/en/ for more information on airport bus.

(Metro: from Shatin to University)

Please make use of the MTR inquiry desk inside the airport if you need further directions. Please visit www.mtr.com.hk for more information.

From Luo Hu Customs (罗湖口岸)

If you enter HK from Luo Hu, you will be able to see the sign "Hong Kong" and just walk though Luo Hu Customs (罗湖口岸) and arrive in Hong Kong. Take the MTR East Rail line to University Station.

From Futian ,Shenzhen (福田口岸)

If you enter HK from Futian, take the MTR East Rail line at Lok Ma Chau Station (落馬洲站) to University Station (大學站).
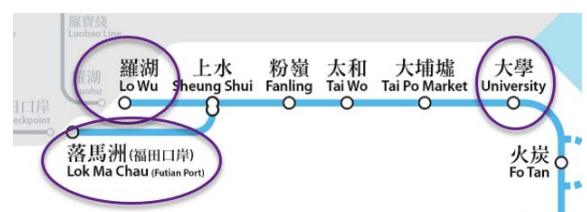

From Hong Kong West Kowloon High Speed Rail Station (香港西九龍高鐵站)

Get off at Hong Kong West Kowloon Station.

Walk to Austin Station (柯士甸站) and travel to Hung Hom Station (紅磡站).

Take the East Rail Line (東鐵綫) from Hung Hom Station to University Station (大學站).

2. Arriving CUHK (Cont'd)

We do not have sufficient manpower to provide pick-up service from the airport; you will have to come to CUHK by yourself. CUHK is right beside the University MTR Station of the East Rail Line (東鐵線) (refer to p.14 for the MTR map). If you decide to take a taxi to CUHK, you may ask the taxi driver to take you directly to SH Ho College (善衡書院) or Morningside College (晨興書院), your dormitory for the weeklong workshop. The two Colleges are just next to each other. If the driver does not know the location, simply ask to be dropped off at the University MTR station (大學港鐵站).

3. Campus housing

You can either take school bus or walk to your dormitory.

A) School Bus

After you arrive at the University MTR Station on July 7 (Sunday), try to locate the CUHK bus stop and get on **School Bus Line H**. After getting off at the first station (University Sports Center 大學體育中心), you will be on University Avenue and right across the street from the two Colleges. Turn right from University Avenue into a side way that leads you to the Colleges. The link below provides more information about the CUHK campus shuttles. Line H runs every 20 minutes during 8:20am—11:20pm on Sundays and public holidays: http://www.cuhk.edu.hk/transport_office/

Alternatively, you may download the smartphone apps "**CUHK Mobile**" for getting the most up-to-date information of school bus schedule.

iPhone users: https://itunes.apple.com/hk/app/cuhk-mobile/id441447866?mt=8

Android users: https://play.google.com/store/apps/details?id=hk.edu.cuhk.cuhkmobile&hl=zh_HK

Note that Line H only runs on Sundays and Public Holidays. If you desire to explore Hong Kong on weeknights, you should take the **Bus Line 1A** instead. You still get off at the first station to return your hostel. Line 1A runs every 15-20 minutes depending on the time of the day.

Directions to hostels—by school bus

Bus Terminal

Cross the road and goes up
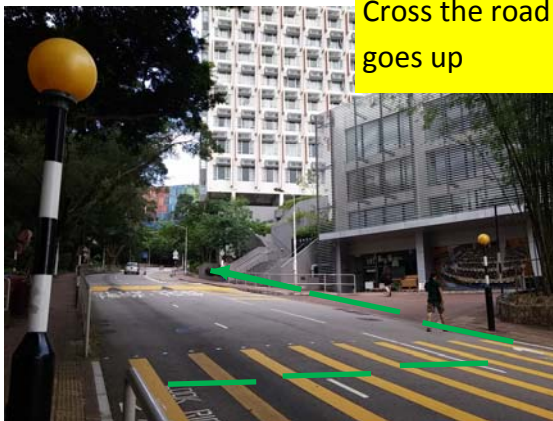

Get off at the 1st bus stop
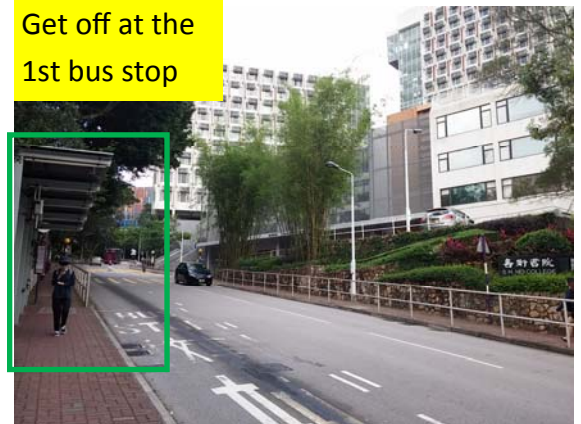

Keep going up along the road

Please turn right when you see the sign

Then you will see the colleges

Main entrance of Morningside College
(晨興書院)

Main entrance of SH Ho College
(善衡書院)

B) Walking route

You can also go to the hostel on foot (10-min walk from the MTR exit).

University Exit A

Cross the road

Cross the road

Bus stop

Keep going up

Please turn right here when you see the sign
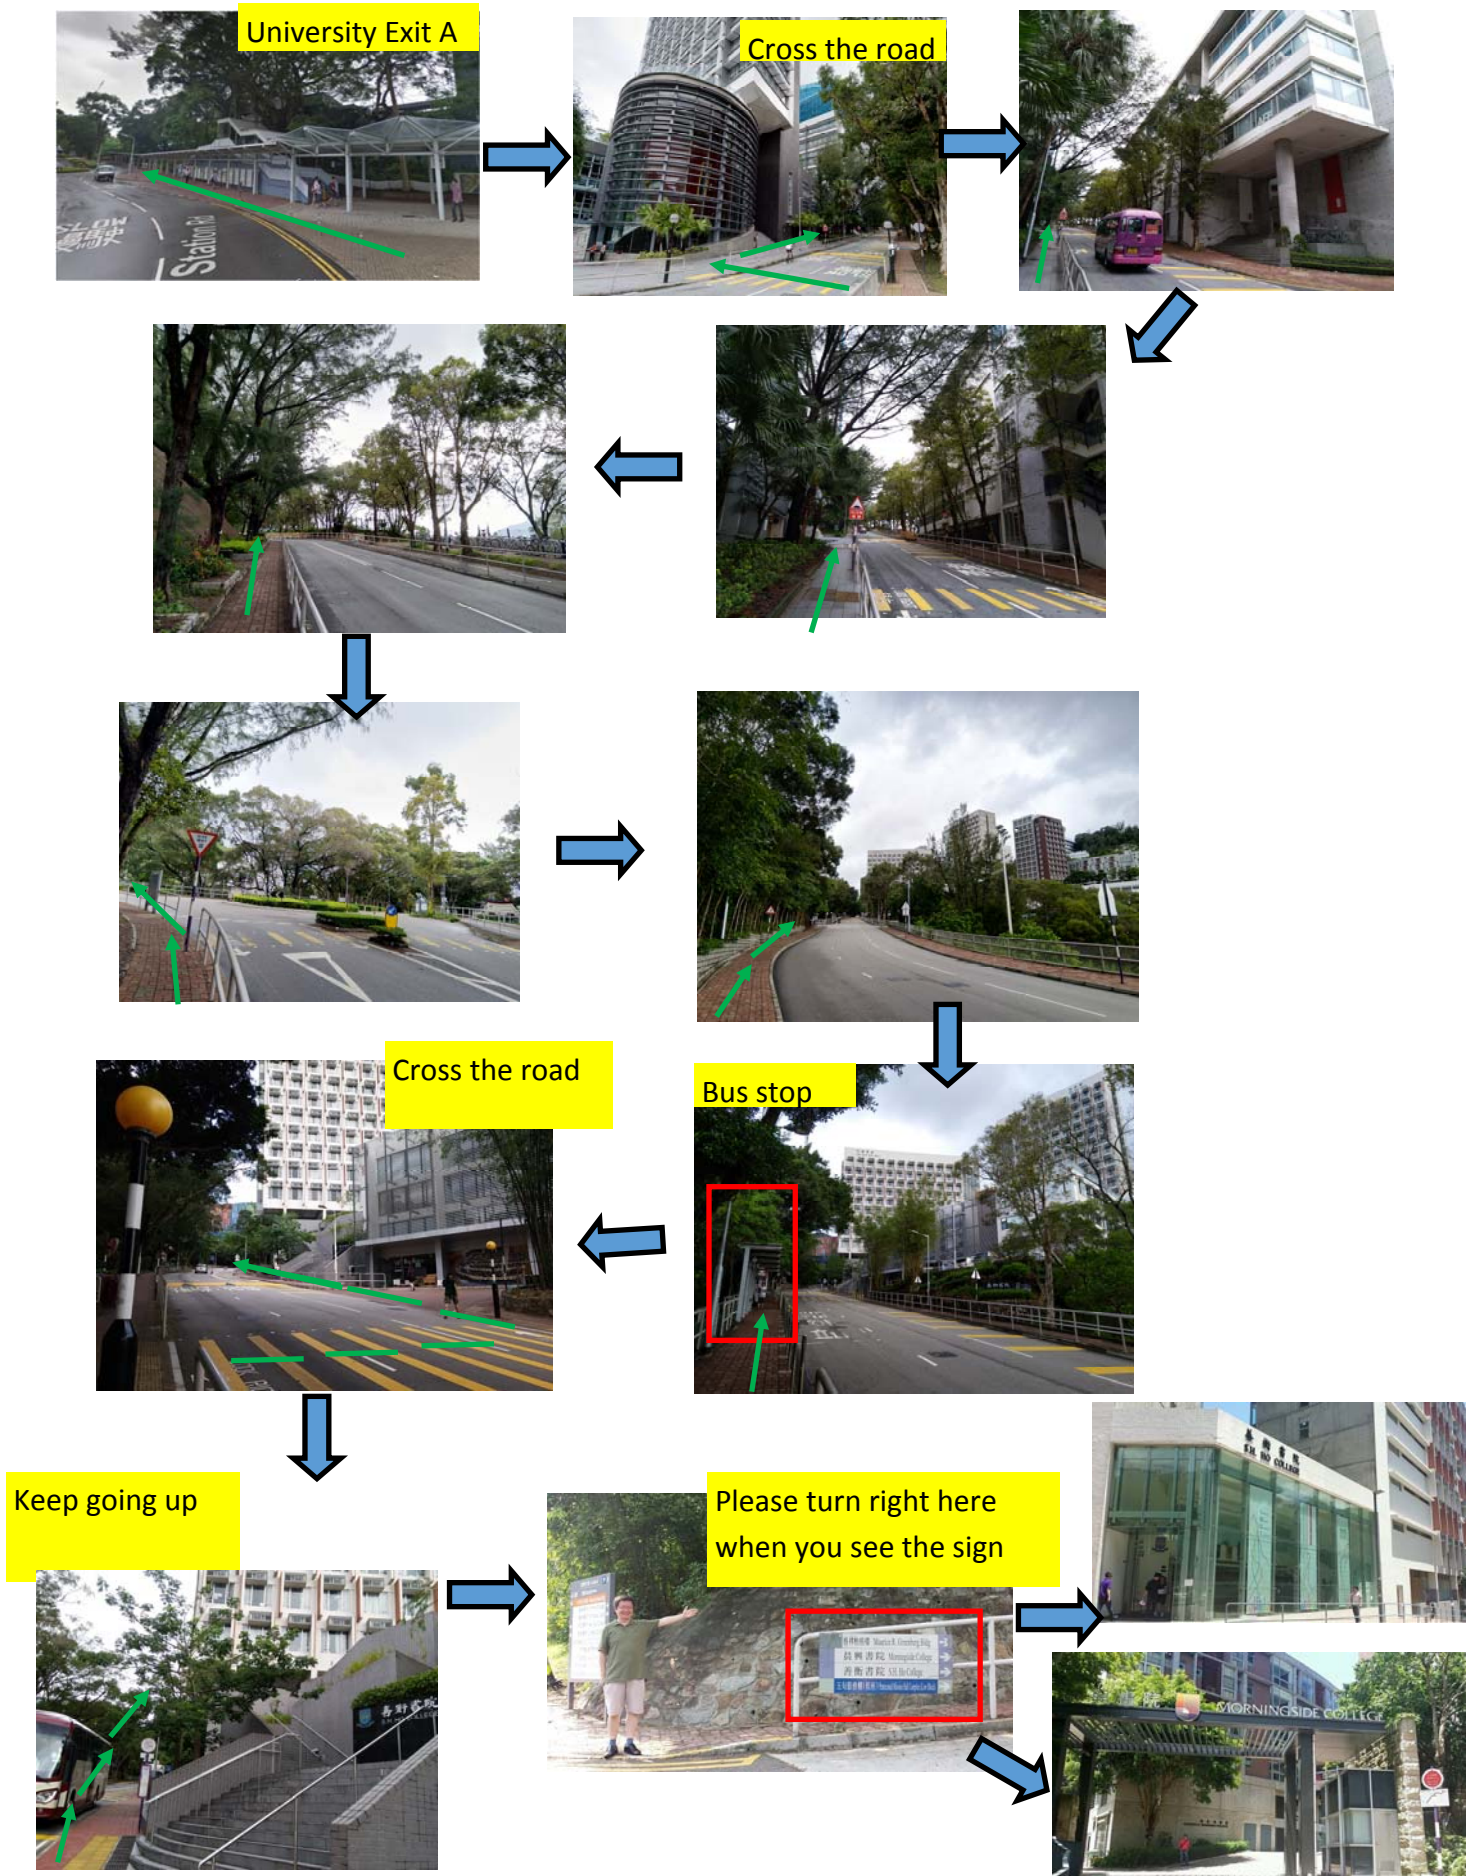

4. Checking into campus housing

On the day of move-in, please check-in at **SH Ho College** which is located just a **10-minute walking distance from the University MTR Station on foot**. Our staff will wait for you there. **Please do not come to CUHK earlier than July 7, since housing will not be available before then.** Our preferred check-in time is between 3 PM and 6 PM. If you need to arrive earlier or later than our suggested time slot, please contact us by email (phd@erg.cuhk.edu.hk) in advance.

NOTE 1: During the check-in period, please report duty to our staff or student helper at the main entrance, G/F lobby, Ho Tim Hall Building, SH Ho College (善衡書院何添堂學生宿舍). They will pass you the room key and other accessories. Participants will stay in either SH Ho College or Morningside College.

晨興書院
Morningside College

Bus Stop
get off at University Sports Center
大學體育中心

Bus Stop
- Route 1A (Mon—Sat)
- Route H (Sun)
Take off at 1st stop for SH Ho / Morningside Colleges

5. Map of CUHK

Online map: http://www.cuhk.edu.hk/english/campus/cuhk-campus-map.html
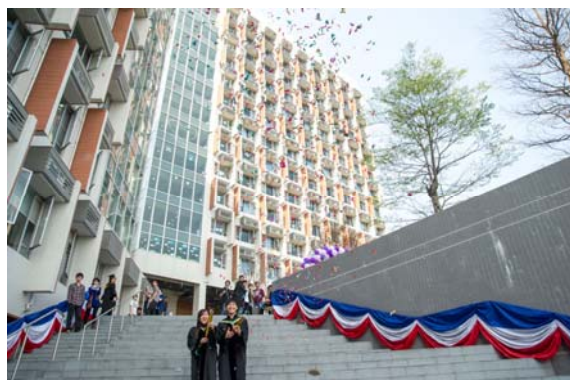

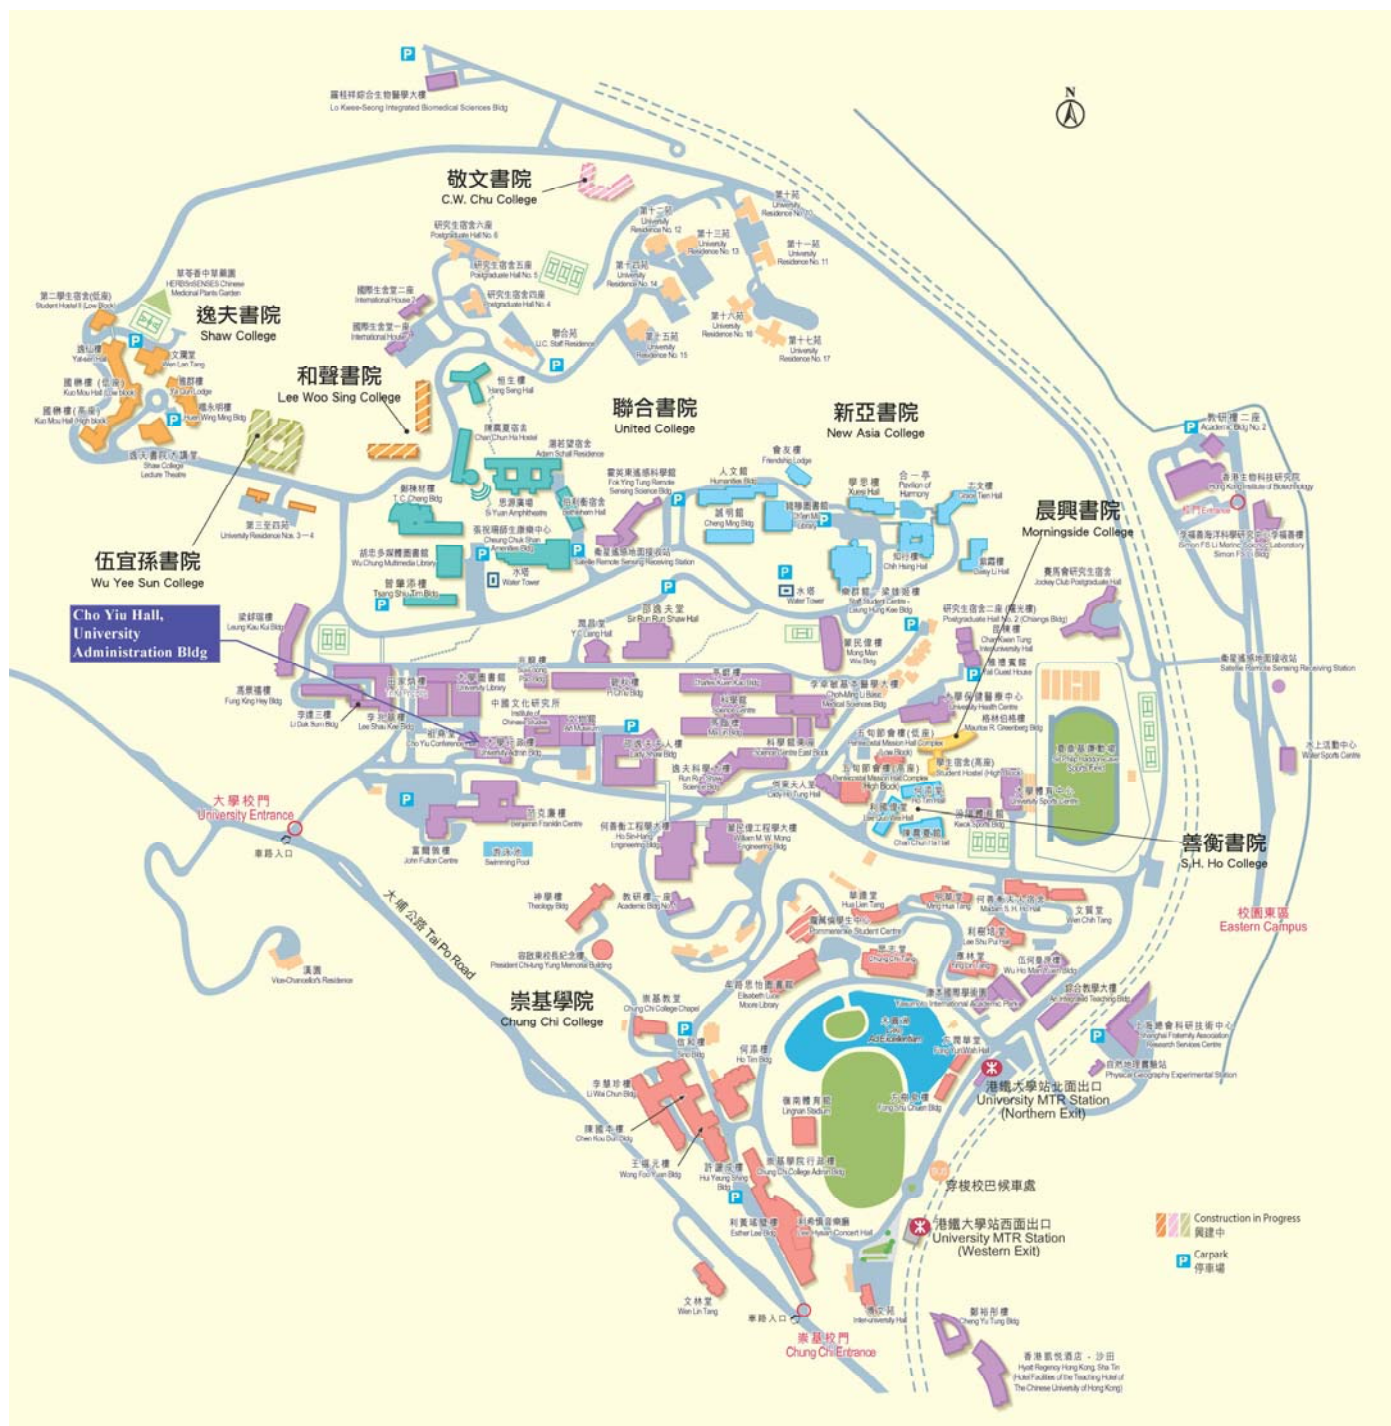

6. Hostel Regulations

(1) Residents should dress properly in all common areas of the College.

(2) Residents should avoid making excessive noise in the Hostel. The period between **11:00 p.m. and 7:00 a.m.** is regarded as the **Quiet Hours** of the Hostels. During the Quiet Hours, residents should not make or cause to be made any noise which is a source of annoyance to any person.

(3) Residents are **NOT** allowed to enter hostel premises for the opposite sex floors from 12:00 a.m. to 7:00 a.m.

(4) Gambling in any forms is prohibited in the premises of the Hostels. Possession of any gambling facilities is also **prohibited**.

(5) Overnight visitor is not allowed.

(6) Residents should not possess, store or consume hard liquor (more than 20%) in any forms in the premises of the Hostel. Drunkenness and related disorderly behaviours are regarded as misbehaviours.

(7) **Smoking is strictly prohibited** in all hostel areas including the rooms and common areas.

(8) Any prohibited items may be confiscated by the Warden; confiscated items will not be returned.

(9) No cooking is allowed in Hostel rooms or common areas (except pantries) of the College.

(10) The pantry is only for simple cooking. Residents are to clean up the pantry immediately after use.

(11) Residents should not ignite fires or burn candles in the Hostel.

(12) Residents should use the dryers in the laundry room to dry their clothes as far as possible.

(13) Residents are **not** permitted to use the recreation and sport facilities of the College (e.g. Fitness Room, reading room).

Laundry at student hostels
Washing machines and drying machines are available at hostels of both SH Ho College and and Morningside College. You will have to pay the fees by Octopus Card. Cash is not accepted.
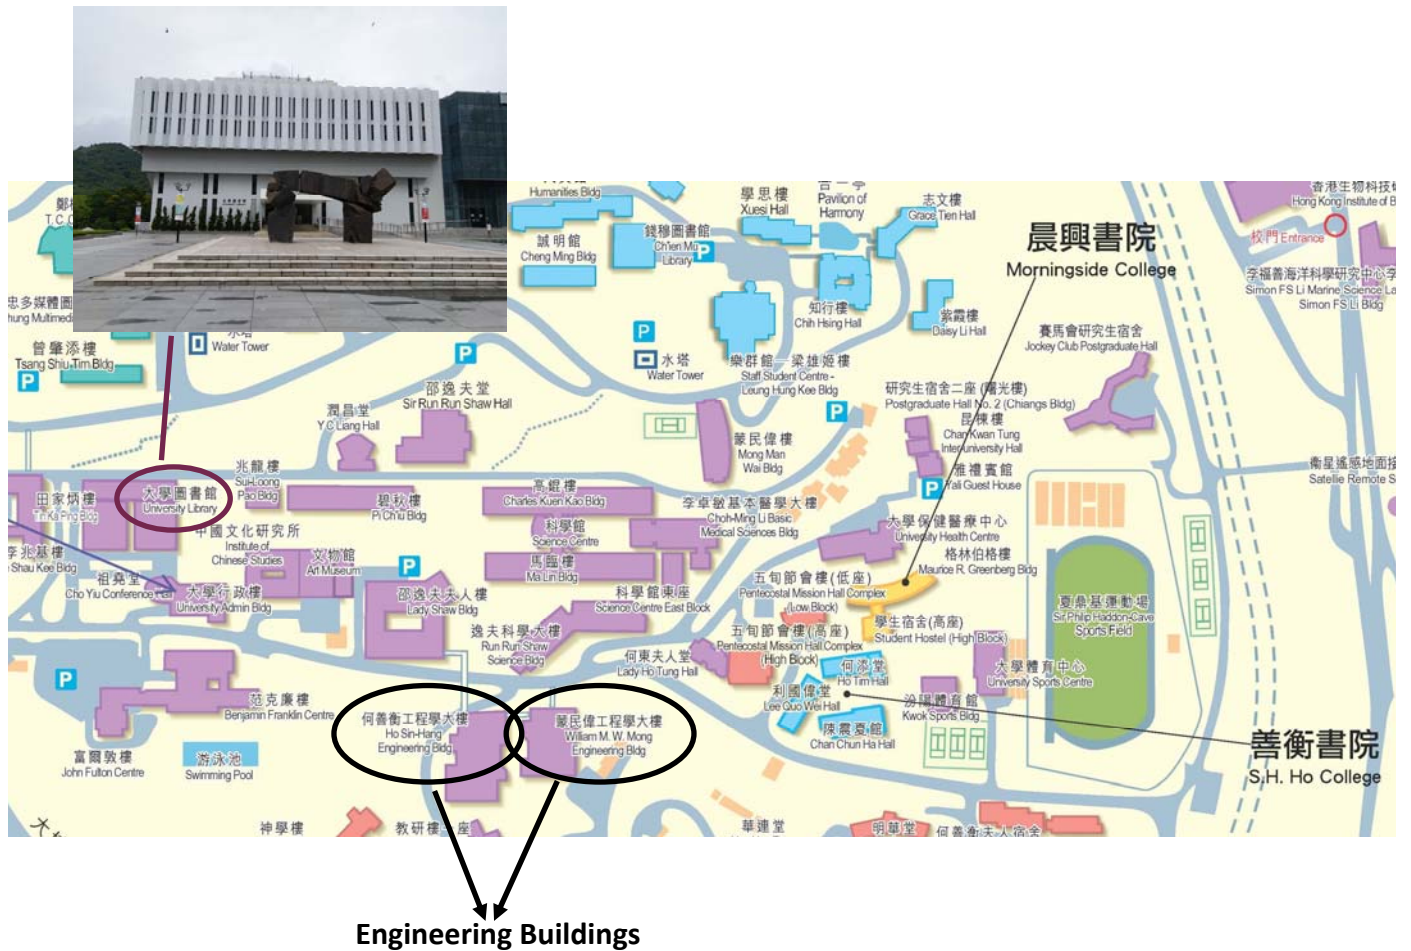

Engineering Buildings

There is a bridge linking William MW Mong Engineering Building 9/F and Ho Sin Engineering Building 5/F.

8. Route Directions to Hang Seng Bank and Supermarket

Upon your arrival, we will present to you the travel subsidy in the form of a cash cheque. The cheque can be cashed at the **Hang Seng Bank branch** on campus, which is around 10-min walking distance from the student hostels. Please bring your passport and identification document to the bank for getting the money during its service hours. Route directions to the bank are listed below.

Hang Seng Bank & Supermarket

Photo of **John Fulton Centre**

Photo of **Benjamin Franklin Centre**

Walk through this road

Hang Seng Bank

Address:

Room 101, 1/F, John Fulton Centre

Service hours:

Mon - Fri : 9:00 a.m. - 5:00 p.m.
Sat : Closed

Park'n Shop Supermarket

Address:

LG, John Fulton Centre

Service hours:

8:30 am–10:00 pm (Mon–Fri)

8:30 am–9:00 pm (Sat, Sun and public holidays)

9. Getting around Hong Kong

Except the welcoming banquet and lunch arrangement on day one and day two, you are expected to take care of other meals. There are a number of canteens located in the central area and Colleges on campus. We also encourage you to take advantage of your weeklong stay to explore our vibrant city by taking MTR (see the MTR system map below). Feel free to consult our staff members or students on where you may get authentic Cantonese food or visit our famous tourist attractions in town.

A single-way train ride from University Station to Kowloon Tong Station takes about 15-20 minutes. From Kowloon Tong, you may conveniently transit to another line and head towards the heart of the city. The University MTR station closes at around 12pm mid-night.
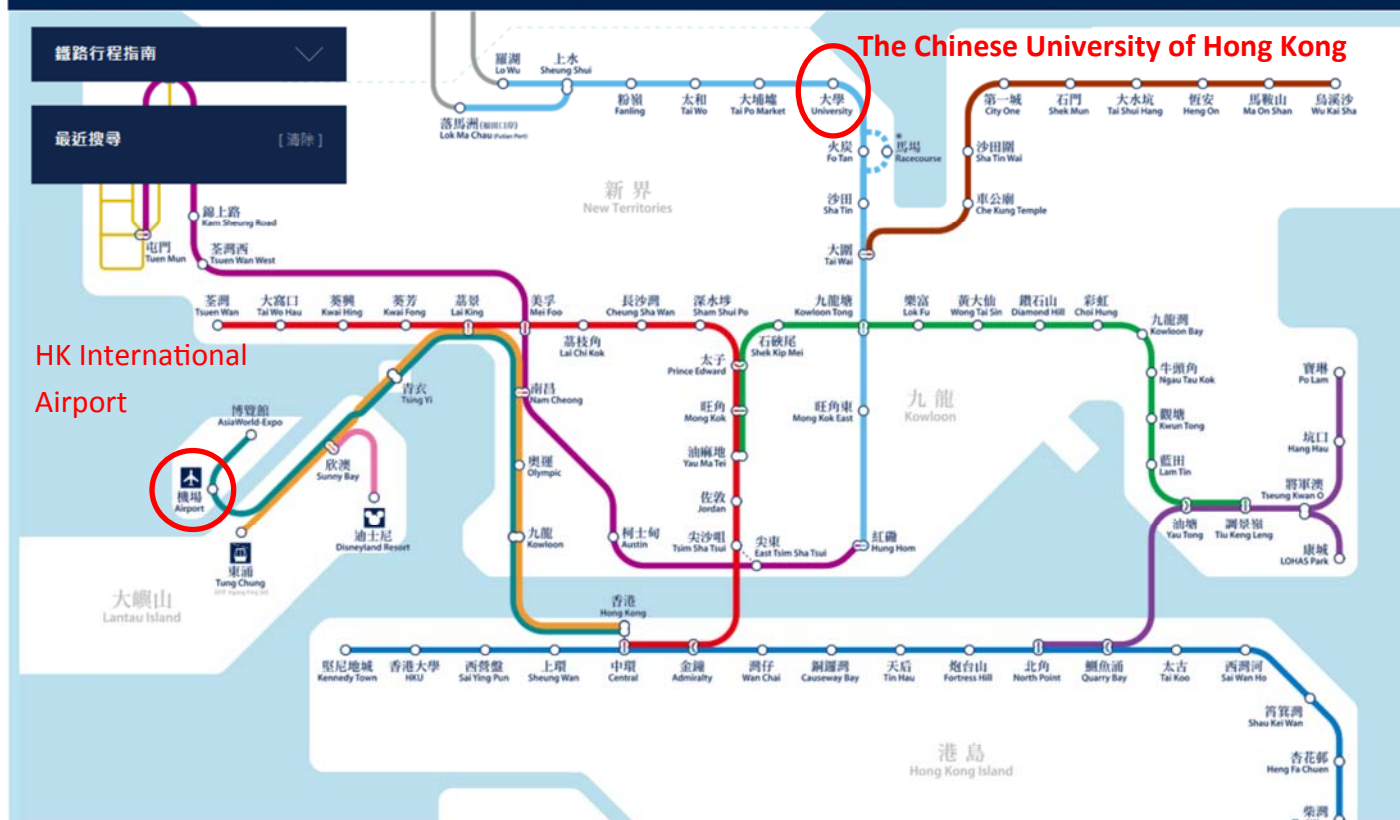

10. Emergency contact

In any case you need help, please contact with our staff (mobile phone: (852) 56628038, Wechat ID: foecuhk, email: phd@erg.cuhk.edu.hk).

Free WiFi access will be provided on CUHK campus.

(1) **CUguest Wi-Fi Service**

WiFi SSID	CUguest
Coverage	CUHK campus
Service Start Date	7/7/2019 0:00 (Sunday)
Service End Date*	13/7/2019 23:59 (Saturday)

* Note that the WIFI service will <u>stop operating sharply at 00:00, Sunday, 13 July 2019</u>.

Instructions:

- Have your account ready: login information will be shown on the namebadge

(**User Type:** CUHK Visiting Guests , **User ID :** Your account ID , **Domain Name** : guest.cuhk.edu.hk)

- Turn on your Wi-Fi enabled device and detect the network SSID=CUguest

- Open your web browser and you will be prompted to enter your account.

- At "Login to CUguest Wi-Fi Service" page:

      I. Enter your User ID as above (excluding domain name)

      II. Select your User Category from the pull-down menu:

      III. Enter your password, and then click Login. For successful login, you'll be able to surf the web anytime at campus hotspots.

- Logout the service by clicking the Logout link that prompted on the screen. Except for 1-hour idle time disconnection, there is no connection time quota in using this service.

(2) **Eduroam** on CUHK campus.

Eduroam WiFi service is available on campus. If your school provides Eduroam WiFi service, logon username and password will be the same.

12. Supervisor selection and admission interview

A unique hyperlink for supervisor selection and admission interview will be sent to the email account you registered in your PHDSW application on July 3 (Tuesday). <u>Do not share</u> the hyperlink with others. Each participant can declare up to 2 intended supervisors in the online system.

The sharp deadline for submission is **23:00, 9 July 2019, Tuesday (Day 2)**. Make sure that you have made proper declaration before the deadline. Admission interviews will be conducted on July 11 (Thursday) and July 12 (Friday) respectively.

The exact interview date and time will be decided by the intended graduate divisions.

13. Bad Weather Arrangement

Weather Warnings and Signals

Activities may be cancelled or suspended due to bad weather as advised by the Hong Kong Observatory.
Please pay attention to the announcement made in Wechat group and email.

	Very Hot Weather Warning	
	Amber Rainstorm Warning Signal	Activities will continue and offices will remain open. Participants should observe the traffic and weather conditions.
	Red Rainstorm Warning Signal	
	Thunderstorm Warning	
	Standby Signal No. 1	
	Strong Wind Signal No. 3	

However, when the following warnings are in force, the planned or on-going activities will be affected.

	Black Rainstorm Warning Signal	
	Typhon No. 8 or Storm Signal	Activities will be affected (see below table)
	Increasing Gale or Storm Signal No. 9	
	Hurricane Signal No. 10	

The typical arrangements are as follows for prior reference:

Signal is/will be in force at or after the following time	Activities affected	Suspension/cancellation of activities
7:00a.m.	Day-time activities	Morning sessions (8:30a.m.-2:00p.m.)
12:00noon	Day-time activities	Afternoon sessions (2:00p.m.-6:00p.m.)
3:00p.m.	Evening activities	Evening sessions (6:00p.m.-10:00p.m.)

For activities that are in progress, they will be suspended immediately. Participants are advised to stay in a safe place until the weather and traffic conditions improve.

14. Medical Service

In case of emergency, University Health Service can provide medical consultation to visitors.

If the treatment lasts three days or fewer, you will be charged HKD $200 to cover the cost of medicine; on the other hand, if the treatment last for more than 3 days then you will be charged HKD$300.

University Health Service (Medical Service)

Clinic Road

15. Program rundown

Day 0 - July 7, 2019 (Sunday)

Check in at the CUHK campus hostel (Morningside College / SH Ho College) between 3 PM and 6 PM.

	Day 1 - July 8, 2019 (Monday)
8:30-8:50	**Arrival of participants**
9:00-9:40	**Welcoming Ceremony (TY Wong Hall)** - Welcome address by Prof. Martin D.F. Wong, Dean of Engineering - Introduction of CUHK Faculty of Engineering by Prof. H.K. Tsang, Associate Dean for Research - Introduction to HKPFS and application process by Prof. Xiankai Sun, Organizing Chair of HKPFS Summer Workshop 2019 - Taking group photo
9:40-11:10	**Introduction to Graduate Divisions**
9:40 - 9:55 9:55 - 10:10 10:10 - 10:25 10:25 - 10:40 10:40 - 10:55 10:55 - 11:10	**Introduction to Curriculum and Research Opportunities, (TY Wong Hall)** 1. Prof. Liming Bian, Head of BME Graduate Division (15 mins) 2. Prof. Evan Young , Acting Head of CSE Graduate Division (15 mins) 3. Prof. Xiaogang Wang, Head of EE Graduate Division (15 mins) 4. Prof. S.C. Liew, Head of IE Graduate Division (15 mins) 5. Prof. Yunhui Liu, Head MAE Graduate Division (15 mins) 6. Prof. Wai Lam, Head of SEEM Graduate Division (15 mins)
11:30 - 13:30	**Lunch** (lunch boxes will be provided for all workshop participants) - collection of lunch boxes at Reading Room, 6/F, SHB building
13:30 - 17:00	**Research Seminars*** delivered by faculty members (three parallel sessions) *refer to research seminar schedule
18:00 - 20:30	**Welcoming Banquet (Dining Hall, Morningside College)** *(Registration starts at 6pm)*

Research Seminar Schedule

8 July 2019 - Day 1

Venue: ERB404

		Speaker	Representing Division	Title of Research Seminar
1	13:30-13:50	Jonathan Choi	BME	Designing nanoparticles for in vivo delivery and understanding their bio-nano interactions
2	13:50-14:10	Megan Ho	BME	Combining microfluidics and nanosensors for the disease diagnostics
3	14:10-14:30	Bian Liming	BME	Multiscale polymeric biomaterials for biomedical applications
4	14:30-14:50	Liting Duan	BME	harness the power of light: using light to control cell behaviors and develop biomedical applications based on optogenetics
5	14:50-15:10	Renjie Zhou	BME	Label-free optical imaging: physics meets biology, medicine and AI
	15:10-15:40	30-min Break		
6	15:40-16:00	Aaron Ho	BME	Biodetection with Nano-sized Metallic Materials
7	16:00-16:20	Raymond Tong	BME	Neuroengineering and Soft Robotics for Clinical Applications
8	16:20-16:40	Max Meng	EE	Scenario Intelligence in Medical and Service Robotics
9	16:40-17:00	Wei-Hsn Liao	MAE	Robotic Exoskeleton, Energy Harvesting, and 4D Printing

Venue: TY Wong Hall

Speaker	Representing Division	Title of Research Seminar
Bei Yu	CSE	Accelerating Deep Convolutional Network Inferences
Evangeline Young	CSE	Intelligent Tools for Chip Design
Patrick Lee	CSE	Dependable storage systems
Qiang Xu	CSE	On the Attack and Defense of Deep Neural Networks
Michael Lyu	CSE	Machine Learning Tasks in NLP and Software Engineering
30-min Break		
Jiaya Jia	CSE	Computer Vision Practice
Irwin King	CSE	Graph Embedding with Applications
Sherman S.M. Chow	IE	Processing Encrypted Data
Dr. Huanle Xu on behalf of Prof. Wing Cheong Lau	IE	Resource Management for Big Data Systems; Mobile Apps/ Protocols Security

Venue: ERB407

Speaker	Representing Division	Title of Research Seminar
Ming Yu	EE	Microwave Technologies for 5G and Internet of Space
Xiankai Sun	EE	Optomechanics: From LIGO to Nano
Hon TSANG	EE	Silicon photonics: meeting challenges for next generation computing, communications and sensing
Dr. Xie Qijie on behalf of Prof. Chester Shu	EE	Advanced Schemes for Effective Generation, Processing, and Detection of Signals for Optical Communications and Microwave Photonics
Ni Zhao	EE	Optoelectronic Devices and Sensors based on Nanostructured Materials
30-min Break		
Jianbin Xu	EE	Flexible Electronics and Beyond
Guohua Hu	EE	Printed electronics based on two-dimensional materials
Wing-Kin Ma	EE	What is Signal Processing and Why Such Expertise Makes a Difference?

9 July 2019 - Day 2

Venue: ERB404

		Speaker	Representing Division	Title of Research Seminar
1	09:00-09:20	Lingfei Li	SEEM	An introduction to Financial Engineering
2	09:20-09:40	Dohyun Ahn	SEEM	Quantitative Risk Management in Financial Networks
3	09:40-10:00	Daniel Long	SEEM	Recent topics on Supply Chain Management
4	10:00-10:20	Anthony So	SEEM	Non-Convex Optimization for Machine Learning, Signal Processing, and Statistics: Recent Developments and Open Directions
	10:20-10:40	20-min Break		
5	10:40-11:00	Hoi-To Wai	SEEM	Inferring Features of the Graph Topology without the Topology
6	11:00-11:20	Xunying Liu	SEEM	Machine learning/Speech and language technology/Assistive Technology/Recent developments and future directions
7	11:20-11:40	Helen Meng	SEEM	Speech and language technology
8	11:40-12:00	Jeffrey Yu	SEEM	Introduction to graph algorithms and systems

Venue: TY Wong Hall

Speaker	Representing Division	Title of Research Seminar
He CHEN	IE	Wireless Connectivity for Industrial IoT: Opportunities and Challenges
Guoliang Xing	IE	Edge AI for Internet of Things: Systems and Algorithms
Dahua Lin	IE	Visual Understanding that Goes Beyond Pattern Recognition
Bolei Zhou	IE	Understanding Visual Scenes from Recogntion to Recreation
Hongsheng Li	EE	Towards Robust Perception with Computer Vision
Haidong Yuan	MAE	Introduction of quantum information science
Darwin Lau	MAE	Cable-Driven Robots Analyis and Control for Biomechatronics and Building Construction
Shing Shin Cheng	MAE	MRI-compatible Neurosurgical Robot: Flexible Robot Design and Actuation

Venue: ERB407

Speaker	Representing Division	Title of Research Seminar
Li Zhang	MAE	Microrobots: from fabrication, actuation to applications
Chun Chen	MAE	Indoor air quality in the built environment
Wei Ren	MAE	Laser-based sensors for environmental monitoring and combustion diagnostics
Jiazheng Ren on behalf of Prof. Yongsheng Chen	MAE	Catalysis in energy and environmental engineering
20-min Break		
Yunlong Zi	MAE	High-Voltage Output from Triboelectric Nanogenerators: Opportunities and Challenges
Yi-Chun Lu	MAE	Electrochemical Energy Storage and Conversion

Day 2 - July 9, 2019 (Tuesday)

Time	Activity
09:00 - 12:00	**Research Seminars** delivered by faculty members from different Graduate Divisions (three parallel sessions) *refer to research seminar schedule
12:15 - 14:30	**Poster Session & Lunch** (lunch boxes will be provided for all workshop participants) - collection of lunch boxes at Reading Room, 6/F, SHB building
15:00 - 17:00	**Parallel activities:** **Lab visit** **Individual meetings with Professors** *(see table below)* *(participants are free to make individual arrangements with professors)*
17:00 - 18:30	**Individual meetings with Professors** *(participants are free to make individual arrangements with professors)*

14:30 - 17:00	**Lab visit**		
	Open for free visit		
	Research lab	**Venue**	**Principal Investigator and lab visit coordinator**
	Electrochemical Energy & Interfaces Lab	SHB 505	Prof. Yi-Chun Lu, supported by Yue Sun
	Nano Energy and Smart System Lab	AB1 302	Prof. Yunlong Zi, supported by Dr. Jiaqi Wang and Xin Xia
	Advanced Nanomaterials and Microrobotics Lab	ERB 202	Prof. Li Zhang, supported by Tony Chan
	Multiscale Precision Instrumentation Lab	ERB 303 & G06	Prof. Shih-Chi Chen, supported by Dihan Chen and Mindan Ren
	Photonics Lab	SHB 303	Prof. Hon Ki Tsang
	Biosensing & BioMEMS Lab	RRSSB G20	Prof. Megan Ho
	Biomaterials and Tissue Engineering Lab	RRSSB G18	Prof. Liming Bian, supported by Yingrui Deng
	Energy and Catalysis Lab	ERB 111-112	Prof. Yongsheng Chen, supported by Kai Cheng, Jiazheng Ren
